REQUEST FOR CORRECTED FILING RECEIPT

Attached is a copy of the official filing receipt received from the PTO in the above-identified application, for which issuance of a corrected filing receipt is respectfully requested. The errors in the filing receipt are as follows:

1. **Applicant's Name** - The spelling of the Applicant's name as "Francois" is incorrect. The correct spelling is "François", as identified in the executed Declaration and Power of Attorney filed on December 2, 1998.

2. **Identification of Applicant** - The present application was originally filed without an executed oath or declaration in the name of François Ménard and Louis Bélanger. In response to the Notice to File Missing Parts, on December 2, 1998, Applicant filed a Declaration and Power of Attorney executed only by François Ménard. A copy of the executed Declaration and Power of Attorney filed on December 2, 1998 is enclosed herewith.

According to 37 CFR §1.48(f)(1):

If the correct inventor or inventors are not named on filing a nonprovisional application under §1.53(b) without an executed oath or declaration under §1.63, the later submission of an executed oath or declaration under §1.63 during the pendency of the application will act to correct the earlier identification of inventorship.

The filing receipt currently identifies both François Ménard and Louis Bélanger as the Applicants.

Pursuant to 37 CFR §1.48(f)(1), since the executed Declaration was filed only with the signature of François Ménard, the sole applicant should be François Ménard and Louis Bélanger should be removed as an applicant on the filing receipt.

Respectfully submitted,
